

Small Brains, Big Ideas-PLUS

Biomedical Insights from Invertebrates

October 29th to November 7th, 2012

Santiago-Valparaíso, Chile

Facultad de Medicina Universidad de Chile, Santiago, Chile
Centro Interdisciplinario de Neurociencia, Valparaíso, Chile

Seeding ideas for the future of Science

Overview

Part I. Basics of Invertebrate Neurobiology

Part II. Laboratory Work

Part III. Neuroscience Symposium

Application deadline **June 29th, 2012**

Supporting documents:

- Cover letter (max. 450 words)
- Recommendation letter from Principal Investigator
- Curriculum Vitae

Submit as **one PDF** to: sbbiPLUS@gmail.com

**Fellowships will be available to Graduate Students
from Latin American academic institutions**

Organizers:

Jimena Sierralta Ph. D.

John Ewer Ph. D.

Yuly Fuentes-Medel, Ph.D.
